“Flashpoint”— The Fire Show

A visual arts exhibition presented by The Hawai'i Visual Arts Group.

A coalition of visual artists reunites and invites a select group of fellow travelers to create works under the singular theme of Fire.

Individual artists show regularly but core artists and their select guests come together only once every 3 to 4 years. Flashpoint is the 6th in an exhibition series established in 2003 that included visual arts exhibitions *Multiple Personalities*, *Illuminate!*, *Thirst*, *Dirt*, and *Lift*.

Come explore the elemental forces of creation and transformation. Converse with the artists and experience their new works on view at the Downtown Art Center 2nd Floor Gallery.
